

# Nuclear Medicine Consultant

University Hospitals Plymouth NHS Trust

The closing date is 28 February 2023

## Job summary

This is an exciting opportunity for a consultant radiologist or physician to join our nuclear medicine team (including one consultant radiologist and one nuclear medicine physician) to provide specialist diagnostic and therapeutic nuclear medicine services. The team provide comprehensive diagnostic and therapeutic services to the Plymouth region and across the Peninsula. The post will be based within Derriford Hospital, which is a major teaching hospital located on the outskirts of the city of Plymouth and is part of Plymouth Hospitals NHS Trust.
